THE HOSPITAL

Discover a rewarding career at GBGH, a dynamic 113-bed facility nestled in the heart of Midland, Ontario. Our dedicated team serves a diverse catchment area, including Midland, Penetanguishene, Township of Tiny, Township of Tay, Christian Island, Georgian Bay Township, and Springwater Township. With a population base of 55,000, surging to over 150,000 during the peak season, GBGH stands as a healthcare cornerstone for our vibrant community.

With an annual budget of approximately \$80 million, a robust staff of 800 professionals, and a network of over 100 active professional staff alongside 70 regional affiliates and consulting physicians, GBGH is a vital healthcare hub. Our services span acute care, rehabilitation, complex continuing care, and Level 3 intensive care unit, with exciting plans on the horizon. We are in the early stages of expanding our capabilities, including a 2,500 sq ft expansion to our diagnostic imaging department to add MRI services for our community, a 50,000 sq ft expansion off our emergency department to offer 24 inpatient mental health beds and planning for a new state-of-the-art hospital facility. Explore the latest developments and initiatives at GBGH by visiting our website: gbgh.on.ca.

We are an extremely active rural academic training site. Our community and hospital is affiliated with the University of Toronto, as home to the U of T Rural Family Medicine program. We are also a partner with the Northern Ontario School of Medicine, as host of the Comprehensive Community Clerkship program.
