

JOIN US IN MAKING EXCELLENT CARE PERSONAL!

At Georgian Bay General Hospital (GBGH), our commitment to excellence sets us apart. We believe in making excellent care personal, and we're on a relentless journey to enhance the well-being of both our staff and patients. Are you ready to contribute to a healthcare legacy that makes a difference? We are on the lookout for individuals driven by purpose, eager to make a substantial impact on the lives of our patients, their families, and our dedicated staff.

THE OPPORTUNITY

Located in the picturesque Georgian Bay area of Ontario, Canada, enhance women's health as a dedicated **Obstetrician and Gynecology (OBGYN)** locum practitioner in a partially bilingual hospital. Immerse yourself in the scenic beauty of Georgian Bay, perfect for outdoor pursuits like boating, hiking, and skiing. Midland offers a family-friendly environment with top-rated schools, safe neighbourhoods, and a vibrant community spirit, including the option of French school systems for families. Enjoy a balanced life here, where you can cultivate a fulfilling career while savoring quality time for personal interests and leisure activities.

At GBGH, we are committed to delivering personalized, outstanding care to our community with a focus on person-centered care. You will provide comprehensive gynecologic care, including surgical and consultation services, as well as obstetric care such as managing pregnancies and attending births. Work in a collaborative environment alongside a multidisciplinary team of healthcare professionals dedicated to ensuring excellent patient outcomes and engage in community health initiatives and educational programs. As a Level 1B Hospital with approximately 200 annual births and experiencing substantial year-over-year growth, we are expanding our team to better serve the community's increasing needs.

WHAT DO YOU GET?

- Our locum position goes beyond Fee for Service billing and HOCC on-call stipend to include a competitive AFA as well as offer professional development opportunities, including CME allowances, relocation assistance, and support for licensing and credentialing.
- Enjoy increased OR time and access to Ambulatory Care for minor procedures.
- Opportunities for research and community engagement through outreach initiatives.
- Relocation assistance includes access to subsidized housing during the transition period, along with other negotiable incentives.
- Strong support from community partners to ramp up your practice quickly.

QUALIFICATIONS AND EXPERIENCE

- Medical degree approved by the College of Physicians and Surgeons of Ontario (CPSO).
- Certification in Obstetrics and Gynecology recognized by the Royal College of Physicians and Surgeons of Canada (RCPSC) or equivalent recognized by the Provincial Licensing Body.
- Membership in the Canadian Medical Protective Association in good standing.
- Fellowship certification in Minimally Invasive Gynecologic Surgery.
- Strong communication skills and a compassionate approach to patient care.

YOUR HOURS OF WORK

We are committed to accommodating your preferences and ensuring a suitable work-life balance. On call requirements to be determined based on operational needs.

THE COMMUNITY & HOSPITAL

Discover a rewarding career at GBGH, a dynamic 113-bed facility nestled in the heart of Midland, Ontario. Our dedicated team serves a diverse catchment area, including Midland, Penetanguishene, Township of Tiny, Township of Tay, Christian Island, Georgian Bay Township, and Springwater Township. With a population base of 55,000, surging to over 150,000 during the peak season, GBGH stands as a healthcare cornerstone for our vibrant community.

With an annual budget of approximately \$80 million, a robust staff of 800 professionals, and a network of over 100 active professional staff alongside 70 regional affiliates and consulting physicians, GBGH is a vital healthcare hub. Our services span acute care, rehabilitation, complex continuing care, and Level 3 intensive care unit, with exciting plans on the horizon. We are in the early stages of expanding our capabilities, including a 2,500 sq ft expansion to our diagnostic imaging department to add MRI services for our community, a 50,000 sq ft expansion off our emergency department to offer 24 inpatient mental health beds and planning for a new state-of-the-art hospital facility. Explore the latest developments and initiatives at GBGH by visiting our website: gbgh.on.ca.

We are an extremely active rural academic training site. Our community and hospital is affiliated with the University of Toronto, as home to the U of T Rural Family Medicine program. We are also a partner with the Northern Ontario School of Medicine, as host of the Comprehensive Community Clerkship program.
